Bburago

Introduction

Welcome to the starting line of the 2014 Bburago Catalog. This year's edition promises to be the most competitive yet, and the Bburago team is prepared with the most aggressive range of products we have ever offered.

We will continue to enhance our exciting relationship with Red Bull. Our ground game has been established with the launch last year of multiple scales of the RB9 racecars, winners of their 4th straight championship. We are also launching Red Bull KTM motorcycles, and then we take to the air with the Flying Bull airplanes. Our racing line has never been stronger as we introduce Make it Your Race, an assortment of Abarth 500 cars built for a reality show competition. We welcome back an old competitor, Bugatti, with several classic titles, and we introduce a new contestant, Hyundai, fast becoming one of the most popular car brands in the world. There are plenty of new titles to be found in our 1/64, 1/43 and 1/32 range. And while we can't divulge details at press time, you can be sure our friends at Lamborghini will have something new, and fast, in store for us in the first half of the year.

We have been thrilled with our line of pull-back racers, GoGears, and we have several new sets and cars for ready to blow the competition away. These items are fast becoming one of our most exciting brands ever, and we look to continue our success in 2014.

There is plenty to see in the ensuing pages, and we are confident these products will get you to the finish line with the checkered flag waving. Good luck and we hope you have a very successful year.

MAKE IT YOUR RACE

MAKE IT YOUR RACE

Is a Scripted Reality Show dedicated to the racing world and it is articulated, unless otherwise agreed by the production, in 5 episodes lasting about 45' each, and an summary episode called "best of", 45' long. The format "Make it your race" tells the story of a group of young people who live in different and distant places, but find themselves united with a common objective, getting involved in their greatest passion: The Scorpion. For some the them dream is for sure to become a professional racer, for others to be a paddock girl of the program or one of the bloggers live-commenting the TV show, and at least having a passion for design, will be able to see their graphic design to run in the racetrack.
